

At the roots of Christianity

«I would like to renew my gratitude, and that of the whole Church, to the Friars Minor of the Custody for their age-old presence in these lands, their joyful fidelity to the charism of St. Francis, and their generous concern for the spiritual and material welfare of the local Christian communities and the countless pilgrims who visit the Holy Land each year».

## A grand project

The Museum, located in Jerusalem within the walls of the Holy City, will have two sites:

- St. Saviour's Monastery – near the New Gate – for the history section
- the Monastery of the Flagellation – near the Lions' Gate – on the "Way of the Cross and the Holy Sepulchre" for the archaeology and multimedia sections

### PROJECT SPONSORS:

- the Custody of the Holy Land and the Studium Biblicum Franciscanum
- ATS pro Terra Sancta, the nonprofit NGO recognized by the Italian Ministry of Foreign Affairs, an association serving the Franciscans of the Custody of the Holy Land, charged with carrying out the project.

## Your name in history

We are seeking supporters to underwrite this project and link their names (family, company, institution) to the Holy City of Jerusalem.

- **1 million euros** to link their name to one of the three sections of the Museum
- **300,000 euros** to link their name to one of the principal and central areas of the Museum
- **100,000 euros** to give their name to a room of the Museum

Names will be carved in the characteristic local (Jerusalem) stone used for the pavements and will be located at the entrance to the rooms. A copy will be delivered to the supporter.

It is also possible to donate smaller amounts, **above 5,000 euros**. The name will then be added to a special wall, located at the Museum's entrance, offering thanks to the supporters.
